Sewing and Cutting Information – Printed Fabric

Please observe: All measurements given are for the **actual size of the system**. The size of the printed fabric depends on how much the fabric material stretches. We recommend that you reduce the size of the fabric with 2% to allow for the stretch effect of the material. However, please always test your chosen material before printing.

Mounting of Velcro strap

Velcro strap (loop) to be sewn along each side of the graphic panels (dark gray).

Montage de la bande Velcro

La bande velcro(crochets) à coudre sur le tissu, (bandes matérialisées en gris sur les dessins).

Anbringung des Klettsaums

Saum aus Klett (Schlaufe) ist angenäht an jeder Seite des Grafikpanels (dunkelgrau)

Montaje de la cinta Velcro

La cinta de Velcro (loop) debe ser cosida por la parte de atrás alrededor del panel gráfico
